Dear Ms. Ackerman:

This office represents Stratus Redtail Ranch, LLC ("Respondent") in connection with the above-referenced Order. On behalf of Respondent, pursuant to Paragraph 22 of the Order, Respondent hereby requests that the United States Environmental Protection Agency ("EPA") approve that Patrick Medland, with Geosyntec Consultants, assume the role of Respondent's Project Coordinator. Mr. Medland will assume this role immediately. Set forth below is Mr. Medland's contact information:

Patrick Medland

Under separate cover, Mr. Medland's qualifications will be forwarded to you. It is my understanding that you have discussed this matter with Jackie Rowley, the Respondent's current Project Coordinator at Geosyntec, and you have verbally indicated that Mr. Medland assuming this role will be acceptable. The Respondent understands that the EPA retains the right to disapprove of Mr. Medland as the designated Project Coordinator. Accordingly, if EPA approves Mr. Medland, please provide formal approval. It is my understanding that Mr. Medland will reach out to you to coordinate an on-site meeting to discuss project issues and deadlines.

Thank you for your cooperation and efforts in the implementation of the Order.

Very truly yours,

Jonathan H. Steeler
